

RELATIONSHIP VALUE

...rising above the service you expectSM

Why are the Hamilton County Chambers of Commerce and ADVANTAGE Health Solutions partnering?

In an effort to provide additional value to its members, the Hamilton County Chambers of Commerce have partnered with ADVANTAGE Health Solutions, Inc.SM (ADVANTAGE) to provide a competitive health insurance product. The medical plans available as a result of this partnership provide wellness and preventative benefits, comprehensive disease and utilization management, and access to a proprietary network of physicians and providers.

Who is ADVANTAGE? ADVANTAGE is a local provider owned managed care organization located in Indianapolis and licensed throughout Indiana. Their core values include integrity, service, respect and quality. ADVANTAGE offers comprehensive benefits that emphasize preventive health services that promote healthy lifestyles and personal accountability. By partnering with physicians, employers and employees we are able to develop benefit plans that incorporate wellness interventions.

What provider networks are available through ADVANTAGE? ADVANTAGE has its own proprietary provider network that offers comprehensive coverage in Indiana.

In addition, groups with 51 or more eligible employees can offer a PPO-type network as a “buy-up” option for employees that would like a national network selection.

For a comprehensive list of providers, please visit ADVANTAGE’s website at www.advantageplan.com.

Who is eligible for the Chamber group health insurance program? All members of the Hamilton County (Indiana) Chambers of Commerce are eligible to participate in the group health insurance program offered exclusively through ADVANTAGE Health Solutions.

This includes the local Chambers in Carmel, Fishers, Noblesville, Westfield, Cicero, and Sheridan.

Licensed and appointed insurance agents that are also members of any Hamilton County Chamber can request quotes. Agents who are not Chamber members will not be able to participate in the program.

For more details, please contact your local Chamber representative, your insurance agent, or ADVANTAGE.

Is there a benefit to getting health coverage through the Chamber? Yes. By getting coverage through the Chamber you will have access to managed care solutions that improve outcomes, keep costs low and improve the health and wellness of the local communities.

Each employer group that becomes a member of ADVANTAGE will have their own dedicated Account Manager. These dedicated Account Managers will assist with all enrollment, service and renewal activities.

In addition, the Chamber offers 6 customized plans that include preferential pricing not available in the marketplace. A 5% discounted rate is available to Hamilton County Chambers of Commerce member organizations only.
